Report on study visit to Pecs (Hungary)

Study visit to University of Pecs is organized from June 13th to June 15th 2016, with the goal of learning about development of accreditation of joint study programmes. During the visit I had the meetings with representatives of Pecs University in charge of accreditation, and with coordinator of joint study programme named „MA in International Relations: Europe in the Visegrad Perspective“ organized by Universities of Pecs, Krakow, Brno and Banska Bistrica. Also, I had meeting with coordinator of study programme named “MA in American and English Studies”, and with manager of Simonyi Business and Economic Development Centre at Faculty of Business and Economics. Faculty of Economics is conducting study program in cooperation with Middlesex University from United Kingdom.
