

**Kontakti međunarodnih partnera zainteresovanih za saradnju  
sa visokoškolskim institucijama iz Republike Srbije,  
prikupljeni na Sajmu visokog obrazovanja  
u okviru EAIE konferencije u Liverpoolu 13-16. septembra 2016. godine**

Poštovani,

Visokoškolske institucije iz Srbije su po treći put zajednički promovisane na najznačajnijem evropskom sajmu internacionalizacije visokog obrazovanja, organizovanom u okviru konferencije EAIE (European Association for International Education) u Liverpoolu od 13. do 16. septembra 2016. godine. Sajam je okupio preko 5000 učesnika iz preko 90 država, a na štandu Study in Serbia je predstavljen celokupni sistem visokog obrazovanja, kao i baza obrazovnih mogućnosti Study in Serbia, koju uređuje Euroguidance centar u okviru Fondacije Tempus. Na zajedničkom štandu predstavljen je i Univerzitet u Novom Sadu, u okviru Tempus projekta SIPUS.

Tokom 3 dana sajma, učesnici iz Srbije ostvarili su veliki broj kontakata sa predstavnicima visokoškolskih institucija iz drugih država koji su zainteresovani za saradnju sa institucijama iz naše zemlje. U nastavku Vam dostavljamo navedeni spisak kontakata, sa kratkim opisima vrsta saradnje za koji su zainteresovani i/ili informacijama o oblastima/vrstama institucija sa kojima žele da ostvare saradnju. Predstavnici Univerziteta u Novom Sadu su prikupili veliki broj kontakata institucija generalno zainteresovanih za saradnju sa visokoškolskim institucijama iz Srbije, koji su takođe uvršteni u spisak.

Ukoliko želite da ostvarite saradnju sa nekom od navedenih institucija, možete ih direktno kontaktirati. Molimo Vas da navedene informacije prosledite i fakultetima u sastavu Vašeg univerziteta koji mogu biti zainteresovani za uspostavljanje saradnje u određenim oblastima.

Ukoliko su Vam potrebne dodatne informacije, tim Fondacije Tempus koji je učestvovao na navedenom sajmu Vam stoji na raspolaganju.

Srdačan pozdrav,

Marko Banković i Milena Jovanović

Fondacija Tempus

## Visokoškolske institucije

	<b>Universidad Nacional Arturo Jauretche</b>	Oblasti/Subject Areas:
<b>Argentina</b>	public university	health, engineering, agronomic, social sciences & management
